

BETTER SWITCHES

COMPANY PROFILE

bremas.it

WHO WE ARE

SPECIALISTS IN AC AND DC SWITCHES

With over 50 years of experience we are specialist in the manufacturing of cam switches, disconnect switches, position and safety switches, power tools switches and relay sockets.

We design and build extremely reliable and efficient products: our company is managed in full accordance with UNI EN ISO 9001, ISO 14001 and all our products are verified in our laboratory under the most stringent standards to guarantee performance, durability and safety.

WHERE WE ARE

OUR HYSTORY

1964

Foundation of Bremas. First plant in Bresso (Milan).

1971

Distribution agreement in USA, Middle East and South America.

1981

Introduction of Cam switches CA series up to 630 A.

1978

Enlargement of production with plastic moulding and assembly, with new plant in Trezzano (Milan).

1965

CA 9100, the first Cam switches series.

1985

Compact disconnect AC switches up to 100 A.

1997

Acquisition of Ersce, Italian leader of limit and safety switches. New plant in Liscate with automatic assembling lines.

2012

Patent for new DC disconnect switches series.

2010

Acquisition of Tecnofina, an Italian company specialized in metal punching production.

2013

New Headquarters in Cambiago (Milan).

2014

DP series, compact DC disconnect switches rated 1000 Vdc 12 A.

2015

DK series, rated 1000 Vdc 16 A.

2016

DM series rated 1000 Vdc 20 A and 2 patents protecting our DC products.

2017

DX series, rated 1000 Vdc 50 A, and 1500 Vdc 20 A. New automatic assembly and testing line for DC disconnect switches.

2018

New plant in Hungary.

2019

Expansion of our laboratory and equipment to perform internally tests up to 1500 Vdc.

2021

One new patent deposited related to a new switching mechanism.

2022

Launch of new DC disconnect switch D...E series (IEC), with new ratings up to 1000 Vdc 60 A, and 1500 Vdc 30 A. A new patent deposited, related to the new DU series.

2023

Launch of new DC disconnect switch DU series (UL508i). A new patent deposited

MORE THAN **50 YEARS**
OF PROUD HISTORY

R&D DEPARTMENT

Bremas Ersce Research and Development department is committed to new products design and to update existing products to meet customer needs.

TESTING

WE CONTINUOUSLY INVEST
IN OUR TEST **LABORATORY** TO
ENSURE THE BEST **TECHNOLOGICAL
DEVELOPMENT** OF OUR PRODUCTS.

TESTING LABORATORY

CUSTOMIZATION

CUSTOMIZED SPECIALISTS

Bremas Ersce has a 50 years experience in creating customized switches, with different options to satisfy the most different requests.

- Customized solutions represent more than 70% of our sales.
- Team of skilled technicians for the study of custom solutions.
- Rapid development and sampling.
- Shorter delivery times and at the top of the market.

PRODUCTION

EFFICIENCY
OF PRODUCTION
AND **HIGH QUALITY**

PRODUCTION

METAL PUNCHING PARTS

100% products and components are MADE IN ITALY.
High precision metal punching plant and plastic
molding for greater reliability over time.

INJECTION MOULDING

QUALITY

CERTIFIED QUALITY PRODUCTS

A certified quality to confirm the constant commitment of BremaS ErscE to continuously improve customer's satisfaction.

- Products and components are MADE IN ITALY.
- 100% Quality control on products.
- Our Quality is certified by numerous Marks and Approvals.

APPLICATIONS

FIELDS OF APPLICATIONS

Every day Bremas Ersce works to develop its position as a leader in specific application and industrial areas, through differentiation and design of products for customers. Its purpose is to find solutions to the needs of the market, pursuing technological, commercial and service excellence, that have always distinguished Bremas Ersce as a company of quality "Made in Italy".
